Message

I am pleased to learn about the National Olympiad 2026 being organized by the Indian Education Council, comprising the National Science Olympiad (NSO), National Mathematics Olympiad (NMO) and National English Olympiad (NEO).

Such academic initiatives play an important role in nurturing curiosity, innovation, analytical thinking and a spirit of healthy competition among students. They provide young learners with a valuable platform to assess their knowledge, showcase their talent and develop the skills necessary to excel in an increasingly knowledge-driven world.

In line with the vision of the National Education Policy 2020, competitions of this nature encourage conceptual learning, critical thinking and holistic development. I am confident that participation in these Olympiads will inspire students to pursue excellence in science, mathematics and language studies while broadening their academic horizons.

I also appreciate the efforts of the Indian Education Council in promoting academic excellence and creating avenues for talent identification and development. My best wishes to all the participants, educators and organizers for the success of this initiative.

CHIEF MINISTER

KERALAM

16.06.2026

Dear Mr. Kapil Kumar Sharma,

I am pleased to learn that the Indian Education Council is organizing the National Olympiads (NSO, NMO & NEO) for the academic year 2026–27.

True education lies in kindling a spirit of curiosity and nurturing critical thinking. Platforms like the National Olympiads provide a wonderful arena for young minds to challenge themselves, broaden their horizons and strive for intellectual excellence. Kerala has always prioritized robust, inclusive and forward-thinking education and I encourage our student community to actively participate in such nationwide academic initiatives.

I extend my warmest compliments to the Indian Education Council, the educators and the schools involved. My best wishes to all the young participants for a deeply enriching experience.

Yours sincerely,

V.D. SATHEESAN

MESSAGE

It gives me immense pleasure to extend my warm greetings and best wishes to all students, educators and institutions participating in the National Olympiad 2026 (NSO, NMO & NEO). Such academic initiatives play a vital role in nurturing curiosity, strengthening conceptual understanding and fostering a spirit of healthy competition among young minds. They provide an excellent platform for students to discover their potential and strive for excellence beyond the classroom.

The youth of today are the leaders, innovators and nation-builders of tomorrow. I encourage students across Mizoram to participate in this Olympiad with confidence and enthusiasm. Success is not measured merely by results, but by the knowledge gained, the skills developed and the character built through perseverance and hard work. I urge every participant to make the most of this opportunity and work towards becoming the very best version of themselves.

I commend the Indian Education Council for organizing this commendable initiative and wish the National Olympiad 2026 every success. May this endeavour inspire students across the country to pursue academic excellence and contribute meaningfully to society and the nation.

Subject: Information regarding National Olympiads 2026 (Science, Mathematics & English)

Respected Sir / Ma'am,

Greetings from the Indian Education Council.

We are delighted to inform you that the *Indian Education Council* is organizing the **National Science Olympiad 2026, National Mathematics Olympiad 2026, and National English Olympiad 2026** for students across India. The Olympiads are based on the latest curriculum by *National Council of Educational Research & Training (NCERT)* an autonomous body under the *Ministry of Education, Government of India*. The National Olympiads are structured to further the educational directives aimed at students' holistic development and critical thinking, in accordance with the framework of the *National Education Policy (NEP) 2020 & National Curriculum Framework (NCF) 2023*.

These prestigious examinations aim to engage and inspire young learners from Classes 1 to 10 by promoting analytical thinking, conceptual clarity, and academic excellence.

- All Schools under CBSE/ICSE/State Boards/Other recognized boards can participate in the National Olympiads.
- Students from recognised schools across India studying in Classes 1 to 10 are eligible to participate in the National Olympiads.
- For Classes 1 & 2, the exam will be conducted in a single level, whereas for Classes 3 to 10, the exam will be conducted in two or three levels.
- The Level-1 will consist of objective (MCQ-based) questions, while the second level will focus on analytical and problem-solving skills with MCQ-based Questions.
- Students from Classes 3 to 10 securing 80% or above in Level-1 will qualify for Level 2. (*Max. 10% of total participants*)
- All registered students will receive a detailed syllabus, sample papers, and mock tests in the month of June.
- All participants will be awarded certificates of participation.
- **Principals & Olympiad Coordinators** of all participating schools will receive **Certificates of Appreciation**.
- Schools with more than **500 participants** in each Olympiad will be eligible for the prestigious awards for Principals.
- Top performers at national level will receive cash prizes (*₹5100 for 1st, ₹3100 for 2nd, ₹2100 for 3rd*), along with medals, merit certificates and the **"National winners of NSO & NMO will receive an opportunity to Visit ISRO"**.
- To ensure fairness and maintain academic standards, the Olympiads strictly follow NCERT-based content, and no external books are promoted or recommended.
- Registration Fee for each Olympiad is **₹195** per student.

We sincerely request your esteemed school to participate in the *IEC National Olympiads* with maximum participation and extend your support in the promotion of the National Olympiad. We believe that this initiative will provide a meaningful academic experience and contribute positively to the overall development of your students.

We look forward to your cooperation.

Warm regards,

Kapil Kumar Sharma
Director General
